HQ AVANTÉ™

18" QUILTING MACHINE

Handi Quilter® offers expanded quilting space, two kinds of stitch-regulation and a Precision-glide track option in an eighteen-inch quilting machine. HQ integrated technology and HQ engineering provide all of the functionality that quilters demand along with the smoothest stitch in the industry. This quality product is backed by the HQ warranty and a large network of local representatives.

Designed by a Quilter, for Quilters®, the HQ¹⁸ Avanté is a high-functioning mid-arm system designed to fit the way you quilt.

EXPANDED QUILTING SPACE WITHIN AN EASY REACH

For the quilter who is looking for more quilting space, but wants a machine that makes the most efficient use of a quilter's reach, the HQ¹⁸ Avanté offers precision stitching with over 15" of quilting space. Multiple track, table and frame options available to suit your budget.
