

HQ FUSION™

LONG-ARM QUILTING MACHINE

Handi Quilter® introduces the newest addition to the HQ long-arm family, combining HQ integrated technology and HQ engineering with all of the functionality quilters demand. Made and assembled in the USA, the HQ Fusion precision stitch-regulated systems provides you with the highest quality product of any long-arm machine, backed by the HQ warranty and network of local representatives. Designed by a Quilter, for Quilters™, the HQ Fusion is a high-functioning long-arm system that enables you to achieve your quilting vision.

WHERE FUNCTION MEETS VISION.™

Sometimes a quilter's vision needs room to expand. The HQ Fusion offers precision stitching, personal lighting options and a full 20" of quilting space so you can quilt even the biggest ideas.
